AZIENDA AGRICOLA FABIANA

Negroamaro Kalema 2017

Consistency: 32 - Balance: 29 - Integrity: 29

Sensations: high concentration and power, a wine characterised by a doughy extract which enhances the mouthfeel sensation of pulpy density through sensory reverberation. Excellent softness on the palate, a sample that reveals a never aggressive tannin and a vivid acidity. An elegantly aged combination of spices and fruit distinguishes its intense and deep fragrance.
